Speakers:

Paul and Gale Russell

Paul was raised in a godly Christian home and made a personal decision to follow Christ at a young age.

From early on, it was Paul's desire to be a missionary and this was confirmed in later years by spending a summer with Child Evangelism Fellowship when he was 16 and a missions trip to India when he was 18. While studying for his BTh and MDiv he was heavily involved with youth ministry.

Paul joined AEF in May 1984 and taught at the Theological College of Central Africa in Zambia. During the next eight years Paul married Gale and Sara and Christina were born in Zambia. In June 1992 Paul was invited to join AEF's home staff as Administrative Director. During the next five years he was responsible for the day to day running of AEF Canada.

With the merger of AEF and SIM, Paul became the Director for Member Care and subsequently the Director for Personnel. He also serves as Deputy Director of SIM Canada.
